[more information](#)

In our Living Hotel Frankfurt, we have broken all the classic rules and limitations of the hotel industry. No more stiff rituals. No more artificial room dividers that separate staff from guests. Instead, more humanity, more coziness, and lots of space – for spontaneous meetings, for everyday moments, and for you.

For work: take advantage of our Living Room for quality conversations with customers, colleagues and friends. If you need a little more privacy, use one of our meeting rooms. For up to 10 people – or more, depending on your needs. Fully equipped, ultra-modern, seriously cozy and with our own catering service. Who says conference rooms can't be beautiful and stylish?

We are looking forward to your visit!
