A new dimension in hospitality

At all events, your personal contact person ensures professionalism and the courteous service team makes every occasion a successful event. The house's central location makes it the ideal starting place for sports and cultural events as well as enjoyable leisurely undertakings. Whether it's a boat ride on the Rhine, a shopping tour, a visit to the Altstadt, an antique car tour or indeed a guided tour of the town, from the Living Hotel De Medici, it is just a couple of steps to the cultural attractions of this vibrant metropolis on the Rhine.

The Grütznertube is perfect for festivities and meetings up to 70 people. The coffered ceiling's dark natural wood and the subdued light from the antique "Lüsterweibchen" chandeliers create an unparalleled flair. Under the eyes of genre painter Eduard von Grützner, you can celebrate exuberantly and have inspiring meetings. In nice weather, the picturesque courtyard of the almost 400-year-old house invites you to linger at your leisure. As an oasis of peace in the middle of the big city, you can recharge your energy resources. Ideas turn into milestones with added value.

Whether it's a conference, banquet or event, the approx. 230m² space offers room for up to 180 people and can be used flexibly. Likewise, the three separate board rooms with 25m² each are particularly well suited for group projects or meetings with up to eight people. Our conference rooms offer you state-of-the-art technology. All rooms are air-conditioned and can be darkened. They are equipped with high-speed internet via Wi-Fi and telephone.
